PATNAYUKUNI VINOD

UI/UX DESIGNER

Visakhapatnam, Andhra Pradesh | +91 85238 45593 | Email | Portfolio

PROFILE

UI/UX Designer with hands-on experience designing user-centered digital products for web and mobile platforms. Skilled in Figma, wireframing, user flows, high-fidelity prototyping, interaction design, and design systems. Experienced in contributing to real-world product design, including administrative dashboards, expense management interfaces, and e-commerce platforms. Passionate about creating intuitive, visually consistent, and engaging digital experiences that balance user needs with product goals.

PROFESSIONAL EXPERIENCE

Accesco Living Pvt. Ltd. – Bengaluru, India 2026

- UI/UX Design Intern
- Contributed to UI/UX design across the Admin Panel and role-based Manager Portal, supporting warehouse, delivery, customer support, and finance operations.
- Designed the Refer & Earn page and Expense Tracker module, translating product requirements into intuitive and user-friendly interfaces.
- Worked on administrative modules including OMS, Offers & Discounts, Payments, Users & Roles, Integration Management, and Activity Logs & Audit Trails.
- Created wireframes, high-fidelity UI screens, and interactive prototypes in Figma, maintaining consistent design patterns and clear information hierarchy.

UptoSkills – Remote 2026

- UI/UX Design Intern
- Designed user interfaces for web and mobile applications using Figma.
- Developed wireframes, user flows, and interactive prototypes to communicate design concepts.
- Applied user-centered design principles to improve interface clarity, navigation, and usability.

UI/UX PROJECTS

Accesco Living – Admin Panel & Expense Tracker 2026

- Designed the Refer & Earn page and Expense Tracker module as part of the Admin Panel design team.
- Created wireframes, high-fidelity interfaces, and prototypes in Figma, focusing on clear information hierarchy, intuitive navigation, and consistent design patterns for administrative workflows and expense management.

Spotify UI/UX Redesign 2026

- Redesigned the music streaming experience with a focus on personalized discovery, intuitive navigation, and engaging listening experiences.
- Developed user flows, wireframes, high-fidelity screens, and interactive prototypes in Figma.
- Explored concepts including synchronized karaoke lyrics, hum-based song identification, AI-powered recommendations, collaborative playlists, and personalized listening statistics.

SkillBridge – Gamified Learning Platform 2026

- Designed a gamified learning experience to encourage student engagement through achievements, rewards, progress tracking, and interactive learning modules.
- Created user flows, wireframes, and high-fidelity prototypes in Figma, emphasizing intuitive navigation, clear progress visualization, and consistent interface design.

FoodieGo – Food Delivery App 2025

- Designed a mobile food ordering experience covering restaurant discovery, menu browsing, cart management, order tracking, and checkout.
- Developed user flows, wireframes, and interactive prototypes with an emphasis on streamlined ordering, usability, and seamless navigation.

DESIGN SKILLS

- UI Design: User Interface Design, Visual Hierarchy, Visual Consistency, Responsive Interface Design
- UX Design: User Experience Design, User-Centered Design, Usability Principles, Navigation Design
- Design Tools: Figma, Interactive Prototyping
- Wireframing & Prototyping: Wireframing, High-Fidelity Prototyping, Interactive Prototypes, Screen Design
- User Research & Flows: User Research, User Flows, User Journey Planning
- Interaction Design: Interaction Design, User Interaction Patterns, Interface Behavior
- Information Architecture: Information Architecture, Content Organization, Information Hierarchy
- Design Systems: Design Systems, Consistent Design Patterns, Reusable Interface Components
- Responsive Design: Web Interface Design, Mobile Interface Design, Responsive Layouts

EDUCATION

Andhra University College of Engineering, Visakhapatnam 2023–2027

- B.Tech in Computer Science and Engineering
- Current CGPA: 8.29/10

Sri Chaitanya Junior College 2021–2023

- Intermediate (Class XII)
- Percentage: 89.7%

Sri Chaitanya Techno School 2020–2021

- Secondary School Certificate (Class X)
- Percentage: 94.17%
